

Non-Contact Mapping Conference

Answering the Non-Contact Mapping Questions in Electrophysiology

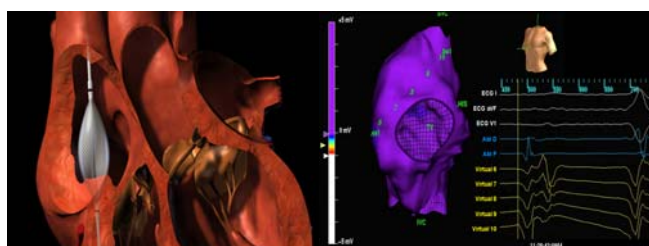

August 19-20, 2010 – Tuen Mun Hospital, Hong Kong

COURSE OVERVIEW

Electrophysiologists today face many important questions. This intensive two-day workshop is designed to provide instruction on the safe and effective use of electrophysiology products while presenting the latest techniques and maneuvers in electrophysiology in a highly interactive format. This program depends on the active participation of electrophysiologists who will work with key opinion leaders on such topics as diagnosis, catheter ablation, pacing maneuvers and troubleshooting in Non Contact mapping navigation in current clinical practice.

PROGRAM FACULTY

Yenn-Jiang Lin, M.D. Taipei Veterans General Hospital, Taiwan
Satoshi Higa, M.D. University of the Ryukyus, Japan
Wing Hong Fung, M.D. Prince of Wales Hospital, Hong Kong
Steve Lai, MRCP. Tuen Mun Hospital, Hong Kong

COURSE ADENDA

THURSDAY, 19TH AUGUST

08:00	Registration	
08:25	Welcome Speech	Simon Liang Chow, FRCP, FACC
08:30	Course Overview & case background review	Steve Lai, MRCP
08:40	Lecture 1: Technical Background: Array Preparation and Positioning	Satoshi Higa, MD

09:00 LIVE CASE 1: TYPICAL ATRIAL TACHYCARDIA ABLATION

Operators: Yenn-Jiang Lin, MD/ Steve Lai, MRCP
Moderator: Wing Hong, Fung, MD

13:00	Lecture 2: Virtual Electrograms: Interpretation of Unipolar Electrograms	Yenn-Jiang Lin, MD
-------	--	--------------------

14:00 LIVE CASE 2: TYPICAL ATRIAL TACHYCARDIA ABLATION

Operators: Yenn-Jiang Lin
Moderator: Steve Lai, MRCP

17:30	Panel Discussion	
	Steve Lai / Satoshi Higa / Yenn-Jiang Lin	
18:00	Adjourn	

FRIDAY, 20TH AUGUST

08:30	Lecture 3: Substrate Analysis of Atrial arrhythmias	Yenn-Jiang Lin, MD
-------	---	--------------------

09:00 LIVE CASE 3: TYPICAL FLUTTER ABLATION

Operators: Yenn-Jiang Lin, MD / Yat Sun, Chan, MRCP
Moderator: Wing Hong, Fung, MD/ Steve Lai, MRCP

13:20	Lecture 4: Video Presentation	Satoshi Higa, MD
13:40	Lecture 5: Substrate Analysis of Ventricular arrhythmias	Satoshi Higa, MD

14:00 LIVE CASE 4: VETRICULAR TACHYCARDIA/ RVOT ABLATION

Operators: Yenn-Jiang Lin, MD/ Yat Sun, Chan, MRCP
Moderator: Wing Hong Fung, MD/ Steve Lai, MRCP

17:00	Panel Discussion	
	Steve Lai / Wing Hong, Fung/ Satoshi Higa/ Yenn-Jiang Lin	

17:30	Closing remarks and departure	Steve Lai, MRCP
